Sir,

On the 24th December 1894 some 26 respectable raiyats of Kadagathur and other villages in the Maddagiri Taluk held a meeting at Kadagathur and resolved to establish an Agricultural Bank on the lines sketched out in the Dewan's Dassara address of October 1894. The Proceedings of that meeting and the Rules for the conduct of the bank business, therein framed, together with a list showing the value of the property owned by the members thereof are submitted herewith in original.

2. Of the 26 members at present, who have formed this Bank, 11 have got property worth 1000 rupees and upwards, 7 have got property worth between 500 and 1000 rupees and 8 have got property worth between 200 and 500 rupees. The Amildar of

Maddagiri

Maddagiri states that the members are solvent, trustworthy and flourishing land-holders and recommends that the Government may safely entrust them with rupees 10,000, paying the amount in convenient sums, from time to time, to enable them to carry on the business of the bank. The members propose to form the funds of the bank from the money contributed by themselves and advanced by Government; the rate of interest to be given on the moneys borrowed by the bank being 4 per cent per annum.

3. The members have to pay a nominal entrance fee of 4 annas. The bank promises to lend money at 6 per cent per annum on the security of landed property and on the surety of one of the members of the bank, at 7 per cent per annum on sums lent on joint promissory bonds and at 1 pie per diem per rupees 20 on sums lent on mere pro. notes.

4. I beg to request that the Proceedings of this meeting may be forwarded to the Registrar of the Joint Stock Companies for registration and solicit sanction to make advances to the bank, sums

of
